* Appearance

As the representative of medium passenger bus of KINGLONG, XMQ6900/6800 sells well in Europe for many years; and its comfort and safety are highly recognized. The moon sign on the side body makes it more attracting. Luxury trimming is beautiful and comfortable. The whole bus is perfect in noise reducing process, and the bus is equipped with large torque low noise axle, which greatly reduces interior noises and makes your trip quiet. There are several types of engines for your choice, which meets the requirement of different operations.

>> Round face matched with large glass provide broad vision.

>> Optimized space, the capacity of baggage compartment reaches 3.5 m³.

>> Fashion taillight shows its vitality.

>> Broad vision rearview mirror, electric adjusting rearview angle, with night running reverse assisting light and defrost function.

>> Seat backrests are equipped with mesh bag for little articles, and foot rest design increases comfort.

>> Luggage rack tilting design can prevent luggage from falling down, and with blue night lamp for night operation which is friendly for using.

>> Concealed air-conditioning outlet combined with illumination light makes warmth and comfort.

>> Add anti-crash damper behind driver seat ensures safety.
